

Guillermo Navarro

Tropical Agricultural Research & Higher Education Center, Costa Rica

CV

Guillermo Navarro is currently a Professor and Researcher at the Tropical Agricultural Research and Higher Education Center (CATIE), and he is director of the Latin-American Chair of Forest Policy and Economics, which deals with postgraduate teaching, research, and technical cooperation on issues of governance, policy, and economics of forestry in Latin America. Between January 2013 and October 2014, Navarro worked as the Coordinator of the Forest Governance and Economics Unit at IUCN Regional Office for Mesoamerica and the Caribbean (ORMACC). Between 2011 and 2013, he was Dean of Academic Affairs at EARTH University, and was responsible of the quality of the academic program, their faculty, and managed of all academic support units. Between 2002 and 2011, NAVARRO had worked as a Professor and Researcher in Forestry Economics and Policy at CATIE.

Responsibility in GreeTS

In GreeTS, Guillermo will be responsible for Work Package 2 on land use.
