

Markus Lederer

TU Darmstadt

CV

Since October 2016 Markus Lederer has held the Chair “International Relations” at the Technische Universität Darmstadt where he had already been affiliated from 2011 to 2013. Prior to this he was Professor for International Governance at the University of Münster and Research Fellow at University Potsdam. Also, he served as Visiting Fellow at the London School of Economics (LSE) between February to July 2016, and was Substitute Professor at the University Bremen, Guest Professor at the Universidad de Costa Rica. Additionally, he held different lectureships at LMU München, University Erfurt and FU Berlin.

Markus Lederer received his Magister degree in Political Science, International Law and Comperatistics at Ludwig-Maximilians University Munich where he also obtained his PHD on the regulation of the European capital market. Markus Lederer has been involved in different consulting engagements for German development cooperation projects in Indonesia, Mali, Yemen and Afghanistan.

Responsibility in GreeTS

In GreeTS, Markus will be responsible for Work Package 4 (multilevel interactions) and will contribute to Work Package 2 on land-use.
